Medicare Part A Hospital Coverage

Medicare Part A hospital/skilled nursing facility care eligible expenses include charges for semiprivate room and board, general nursing and miscellaneous services and supplies.

Deductible – Plans F, G and N pay the $1,132 inpatient hospital deductible (Plan M pays $566 of the deductible) for each benefit period, which begins the first full day you're hospitalized and ends when you haven't been in a hospital or skilled nursing facility for 60 days in a row.

Coinsurance – All plans pay $283 a day when you're hospitalized from the 61st through the 90th day. And, when you're in the hospital from the 91st day through the 150th day, you receive $566 a day for each Lifetime Reserve day used.

Extended Hospital Coverage – When you're in the hospital longer than 150 days during a benefit period, and you've exhausted your 60 days of Medicare Lifetime Reserve, all plans pay the Medicare Part A eligible expenses for hospitalization, paid at the rate Medicare would have paid, subject to a lifetime maximum benefit of an additional 365 days.

Benefit for Blood – All plans pay Medicare's one calendar-year deductible for blood that is the cost of the first three pints needed.

Skilled Nursing Facility Care Benefit

Coinsurance – Plans F, G, M and N pay up to $141.50 a day from the 21st through the 100th day during which you receive skilled nursing care. You must enter a Medicare-certified skilled nursing facility within 30 days of being hospitalized for at least three days.

Hospice Care Benefit

Outpatient Prescription Drugs – All plans pay $5 per prescription for outpatient prescription drugs for pain and symptom management.

Inpatient Respite Care – All plans pay 5% of the Medicare-approved amount for inpatient respite care (short-term care given by another caregiver, so the usual caregiver can rest).

Medicare Part B Medical Coverage

Medicare Part B eligible expenses include charges for physicians' services, hospital outpatient services and supplies, physical and speech therapy and ambulance service.

Deductible – Plan F pays the $162 calendar-year deductible.

Coinsurance – After the Medicare Part B deductible, all plans pay generally 20% of eligible expenses. With Plan N, you pay up to a $20 copayment for an office visit and up to a $50 copayment for an emergency room visit.

For hospital outpatient services, the copayment amount will be paid under a prospective payment system. If this system is not used, then generally 20% of Medicare approved expenses will be paid.

Excess Benefits – Your bill for Medicare Part B services and supplies may exceed the Medicare eligible expense. When that occurs, Plans F and G pay 100% of the difference, up to the charge limitation established by Medicare.

Benefit for Blood – All plans pay Medicare's one calendar-year deductible for blood that is the cost of the first three pints needed.

Additional Benefit

Medically Necessary Emergency Care Received Outside the U.S. – After you pay a $250 calendar-year deductible, Plans F, G, M and N pay you 80% of eligible expenses for health care you need because of a covered injury or illness beginning during the first 60 days of each trip up to a lifetime maximum of $50,000. Emergency care is care needed immediately because of an injury or an illness of sudden and unexpected onset.

Plan Overview

Of the 11 Medicare supplement insurance plans, United of Omaha offers you five coverages that can help pay some eligible expenses not paid for by Medicare Part A and Medicare Part B. **There may be charges above what Medicare and United of Omaha pay.** Plan A is available to persons under age 65 on Medicare due to a disability.

Your Medicare supplement does not pay for:
- any expense incurred before your policy date
- expense incurred while this policy is not in force
- expense paid for by Medicare
- services for non-Medicare eligible expenses
- services for which no charge is made when there is no insurance
- loss or expense that is payable under any other Medicare supplement insurance policy or certificate

Medicare eligible expenses means charges of the kinds covered by Medicare Parts A and B, to the extent Medicare recognizes them as reasonable and medically necessary.

Coinsurance is the portion of the eligible expense not paid by Medicare and paid by United of Omaha.

Open enrollment means you can't be denied any Medicare supplement policy if your application is submitted during the six-month period beginning with the first month in which you first enroll for Medicare Part B benefits at age 65 or older, or upon attaining age 65 if you were previously enrolled in Medicare Part B before turning age 65.

If you're under age 65, you can purchase any plan an insurer offers to people under age 65, during the six-month period beginning with the first month in which you first enroll for Medicare Part B benefits.

Features Give You More Peace of Mind

You're covered immediately. There is no waiting period for preexisting conditions and benefits will be paid from the time your policy is in force.

You have a 30-day free look. If you're not satisfied with your policy, send it back to us within 30 days after receiving it, and we'll refund your premium. Then, this policy will be considered as though it were never issued.

Your policy cannot be canceled. It will be renewed as long as the premiums are paid on time and the information is correct on your application.

Your Medicare supplement benefits will automatically increase as Medicare deductibles and coinsurance increase. Benefits are not paid for any expense paid by Medicare.

Benefits are paid to you, your hospital or doctor. This policy's benefits and premiums may be suspended for up to 24 months if you become entitled to Medicaid benefits. You must request that your policy be suspended within 90 days of becoming entitled to Medicaid. If you lose (are no longer entitled to) Medicaid benefits, this policy can be reinstated if you request reinstatement within 90 days of losing such benefits and pay the required premium.

You have 31 days from your renewal date to pay your premium. Your policy will stay in force during this 31-day grace period.

You can't be singled out for a rate increase, no matter how many times you receive benefits. Your premium changes: (a) each year on the renewal date coinciding with or following the anniversary of your policy date until you reach age 90; and (b) when the same premium change is made on all in-force Medicare supplement policies of the same form issued to persons of your classification that are renewed in the same state where you live at the same time we change premiums. Your policy's two-person household premium discount ends if the person you live with terminates his or her policy or moves to a different residence.

This is a brief description of your coverage. The outline of coverage must accompany this brochure. For complete information on benefits, exceptions, limitations and reductions, please read your outline of coverage and your policy.

This is a solicitation of insurance and an insurance agent will contact you by telephone.

Out-of-pocket expenses for this deductible are expenses that would ordinarily be paid by the policy/certificate. If you are replacing another health insurance policy, do NOT cancel it until you have actually received your new policy and are sure you want to keep it.

Notice
The policy may not fully cover all of your medical costs. Neither United of Omaha nor its agents are connected with Medicare. This outline of coverage does not give all the details of Medicare coverage. Contact your local Social Security office or consult "Medicare & You" for more details.

- You do not need more than one Medicare supplement policy.
- If you purchase this policy, you may want to evaluate your existing health coverage and decide if you need multiple coverage.
- You may be eligible for benefits under Medicaid and may not need a Medicare supplement policy.
- If, after purchasing the policy, you become eligible for Medicaid, the benefits and premiums under your Medicare supplement policy can be suspended, if requested, during your entitlement to benefits under Medicaid for 24 months. You must request this suspension within 90 days of becoming eligible for Medicaid. If you are no longer entitled to Medicaid, your suspended Medicare supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstituted if requested within 90 days of losing Medicaid eligibility. If the Medicare supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstituted policy will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.
- If you are eligible for, and have enrolled in a Medicare supplement policy by reason of disability and you later become covered by an employer or union-based group health plan, the benefits and premiums under your Medicare supplement policy can be suspended, if requested, while you are covered under the employer or union-based group health plan. If you suspend your Medicare supplement policy under these circumstances, and later lose your employer or union-based group health plan, your suspended Medicare supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstituted if requested within 90 days of losing your employer or union-based group health plan. If the Medicare supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstituted policy will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.
- Counseling services may be available in your state to provide advice concerning your purchase of Medicare supplement insurance and concerning medical assistance through the state Medicaid program, including benefits as a Qualified Medicare Beneficiary (QMB) and a Specified Low-Income Medicare Beneficiary (SLMB).

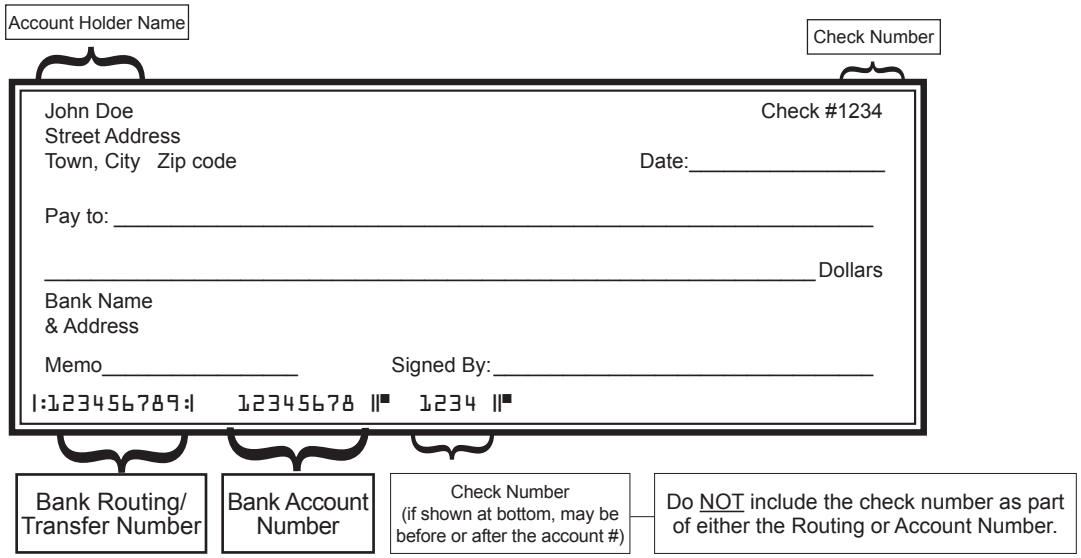
Instructions for Completion of Authorization for Electronic Funds Transfer (ACH/BSP) Form



The applicant may select one of three payment options indicated on the back side of this form. Instructions for each option are listed below. With each option, the form must be signed and dated.

Option A: Pay all premiums (1st month and monthly renewals) by Electronic Funds Transfer (EFT).
Automated Clearing House (ACH) is used for initial payment and **Bank Service Plan** (BSP) is used for renewal payments. When choosing to pay both the initial and monthly renewals by EFT, the applicant must complete the form and submit it with the application. DO NOT submit a signed check for payment under this option. To avoid potential delays in processing, submit a voided check and complete the account information (routing/account numbers, name of financial institution) on the form.

Option B: Pay 1st month by paper check and monthly renewals by BSP
When choosing to pay the initial premium via paper check and the monthly renewals by BSP, the applicant must complete the form and submit it with the application. A signed check for the initial monthly premium must be submitted with the application.

Option C: Pay 1st month by ACH and pay renewals by direct bill (monthly direct billing is not offered)
When choosing to pay the initial premiums by ACH and renewal premiums by direct billing (quarterly, semiannually, or annually), the applicant must complete the form and submit it with the application. DO NOT submit a signed check for the initial premium payment under this option. To avoid potential delays in processing, submit a voided check and complete the account information (routing/account number, name of financial institution) on the form.

When choosing to pay initial premiums by ACH, money will be withdrawn on the date the application is processed. This may be different from the monthly withdraw date selected for renewal premiums.

Payments cannot be postponed until a later date.

Payment from a third party, including any foundation, cannot be accepted.

All refunds will be made to the applicant in the event of rejection, incomplete submission, overpayment, cancellation, etc.

Please complete the Electronic Funds Transfer form accurately and in its entirety, making sure that all required information is correct and complete on your Electronic Funds Transfer form prior to submission. In addition, please make sure that the premium amount is filled in on the Electronic Funds Transfer form so we can initiate a timely and accurate withdrawal from your client's bank account.

An example of how to find correct Routing and Account Numbers on your clients' checks is included at the top of this form. Do not include the check number as part of either the Routing or Account Number. The applicant's bank name is normally included above the Memo line on the check.

Notice to Applicant Regarding Replacement of Medicare Supplement Insurance or Medicare Advantage

Save this notice! It may be important to you in the future.

According to your application, you intend to terminate existing Medicare supplement or Medicare Advantage insurance and replace it with a policy to be issued by United of Omaha Life Insurance Company. Your new policy will provide thirty (30) days within which you may decide without cost whether you desire to keep the policy. For your own information and protection, you should be aware of and seriously consider certain factors which may affect the insurance protection available to you under the new policy.

You should review this new coverage carefully. Compare it with all accident and sickness coverage you now have. If, after due consideration, you find that purchase of this Medicare supplement coverage is a wise decision, you should terminate your present Medicare supplement or Medicare Advantage coverage. You should evaluate the need for other accident and sickness coverage you have that may duplicate this policy.

Statement To Applicant by Issuer, Agent, Broker or Other Representative:

I have reviewed your current medical or health insurance coverage. To the best of my knowledge, this Medicare supplement policy will not duplicate your existing Medicare supplement or, if applicable, Medicare Advantage coverage because you intend to terminate your existing Medicare supplement coverage or leave your Medicare Advantage plan. The replacement policy is being purchased for the following reason(s) (check one):

Applicant	**Applicant B**
_____ Additional benefits	_____ Additional benefits
_____ No change in benefits, but lower premiums	_____ No change in benefits, but lower premiums
_____ Fewer benefits and lower premiums	_____ Fewer benefits and lower premiums
_____ My plan has outpatient prescription drug coverage and I am enrolling in Part D	_____ My plan has outpatient prescription drug coverage and I am enrolling in Part D

_____ Please explain reason for disenrollment	_____ Please explain reason for disenrollment
_____ Other (please specify)	_____ Other (please specify)

1. Health conditions which you may presently have may not be immediately or fully covered under the new policy. This could result in denial or delay of a claim for benefits under the new policy, whereas a similar claim might have been payable under your present policy.
2. State law provides that your replacement policy or certificate may not contain new preexisting conditions, waiting periods, elimination periods or probationary periods. The insurer will waive any time periods applicable to preexisting conditions, waiting periods, elimination periods, or probationary periods in the new policy for similar benefits to the extent such time was spent under the original policy.
3. If you still wish to terminate your present policy and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical and health history. Failure to include all material medical information on an application may provide a basis for the Company to deny any future claims and to refund your premiums as though your policy had never been in force. After the application has been completed and before you sign it, review it carefully to be certain that all information has been properly recorded.

Do not cancel your present policy until you have received your new policy and are sure that you want to keep it.
